National Arab American Association of Engineers and Architects (AAAEA)

2020 Scholarship Information

PURPOSE
The scholarship award is established by the National AAAEA and is presented to an Undergraduate or Graduate student in the areas of Engineering, Architecture and Computer Science.

AMOUNT
At least one scholarship will be awarded annually in an estimated amount of at least $1,000. The names of the winner(s) will be announced at the Annual AAAEA National Conference. The winner(s) will receive a certificate and a check.

ELIGIBILITY REQUIREMENTS
The AAAEA scholarship is available to student members of who are attending an accredited university.

APPLICATION INSTRUCTIONS
The applicant must complete and submit the following materials:
1. The Scholarship Application Form.
2. An official college transcript indicating course grades and cumulative grade point average.
3. A letter of recommendation written by a faculty member.
4. An adequate description of the applicant's extracurricular activities. The description should highlight relevant work experience, publications, participation in AAAEA, student/campus activities, involvement in community organizations or a combination of these.
5. An essay addressing the applicant's interest in his/her field of study, the most important issue currently being addressed in the applicant’s field, and the responsibility of the Engineers, Architects or Computer Scientists to society and to AAAEA.

If the Scholarship Committee deems it necessary, a fifteen (15) minutes phone interview may be scheduled with the applicants.
